Service Connection Disability Evaluations Fee Schedule and Information

Dr. Sweeton has completed more than 500 service connection disability evaluations (DBQ exams) for veterans seeking service connection for mental disorders, PTSD, and TBI. However, for PTSD and TBI DBQs, Dr. Sweeton will only conduct exams for the *review* of these conditions (“Review PTSD DBQ” and “Review TBI DBQ”), not initial DBQs for these conditions. The only exception to this is when a veteran is represented by an attorney. In that situation, Dr. Sweeton is able to complete an Initial PTSD DBQ.

Fee Schedule:

Mental Disorders DBQ + IMO: \$1,800

Review PTSD DBQ + IMO: \$1,800 for PTSD

Review TBI DBQ + IMO: \$1,800 as a stand-alone exam, \$1,000 as an add-on to another DBQ
