I, \_\_\_\_\_ agree to pay Dr. Jennifer Sweeton for her participation in the evaluation process, in providing evaluation, clinical reports, depositions, and/or expert court testimony on my behalf or on behalf of my client.

The forensic mental health evaluation may include, but is not limited to, comprehensive psychosocial information requiring interview focus on special circumstances to aid in legal/medical/forensic/expert testimony/deposition, review of pertinent data, interviewing collateral contacts, and use of customized computer software designed to detail essential data. Additionally, it may include a report not covered by insurance, containing specialized information pertinent to expert review by attorneys, psychiatrists, mental health professionals, etc. A report is written to qualify expert court testimony, and to assist against disqualification by the court.

It should be understood that the costs for all clinical services performed, prior to the written report, are to be paid in full, not subject to any contractual agreement with any insurance carrier/provider, in that the services rendered herein are beyond the scope of those services that are normal and customary under such insurance provider contracts.
